

8th Grade Grammar Assignment

Analyze, chart, and diagram the following sentences. You may analyze them here, but please chart and diagram them on a separate sheet of lined paper. Don't forget to use a straight-edge!

The English possess a quick sensibility to the beauties of nature, and a keen relish for the pleasures and employments of the country.

In the most dark and dingy quarters of the city, the drawing-room window resembles frequently a bank of flowers.

Every spot capable of vegetation has its grass-plot and flower-bed.
